TEA TREE COCONUT OIL CONDITIONING TREATMENT

A conditioning treatment to hydrate and revitalize dry, coarse hair.

TEA TREE
solutions
by Great Clips®

KEY BENEFITS:

- Formulated with Tea Tree Oil, Coconut Oil, and Jojoba Oil
- Nourishes, moisturizes, and smooths hair from the inside out
- Improves the condition of hair and scalp
- Reduces protein loss in damaged and undamaged hair
- Locks in moisture for healthy hydration

HOW TO USE: After shampooing, apply a generous amount to damp hair. Comb through if desired. Allow to sit for 1-3 minutes before rinsing. Need more intense hydration? Allow to sit for up to 10 minutes. To see maximum benefits on highly textured or very coarse hair: apply to dry hair and wait up to 30 minutes before rinsing, followed by shampoo and conditioner as normal. Use once a week, or as needed.

WHO NEEDS THIS PRODUCT: This conditioning treatment is ideal for medium to coarse hair textures. Those who are experiencing dry, damaged hair will also benefit.
