NOURISHING SPLIT END MENDER

A nourishing mender to seal and smooth hair cuticles to reduce visible signs of damaged ends.

Key Benefits:

- Seals and smooths hair cuticles
- Increases elasticity and strength
- Reduces friction from brushing
- Prevents breakage
- Protects from daily stressors
- Adds shine
- Contains Arginine, a bond building amino acid

To Use:

- Pump a small amount into hands
- Work through damp hair, mid-length to ends with hands or a comb
- Do not rinse out

AVAILABLE
JANUARY
2026!

Great for anyone with damaged, dry, or chemically-treated hair, and those who style frequently.

Item #7617
GC Cost: \$6.51
